

## French Journey - TGV

---

**Pioneer in High Speed Trains, TGV is for over 25 years the #1 train in France and Europe.**

**TGV (Train à Grande Vitesse):** the French high-speed train TGV offers high-speed train services connecting the major cities of France. TGV train travels smoothly and silently at speeds over 300 km/h in complete safety. Both 1st and 2nd class coaches afford you outstanding comfort for work, rest and relaxation. Some TGVs have special spaces laid out for customers travelling on business, and others for families or small groups.
